## Your Public Schools

About 350,000 school teachers abandoned their profession in the last five years! WHY?

The most pertinent cause of this exodus of trained personnel from the ranks of the teaching profession is the economic one of inadequate salaries. The second is the gradual slackening of appreciation (Continued on Page Four)

### League Champs Receive Awards

An audience of youthful baseball players and their dads filled the Junior High East auditorium Monday night not only to pay tribute to the Arlington Youth Association baseball champions but to enthusiastically applaud the unselfish work of scores of Arlington men — members of the Arlington Auxiliary Police Association — who have sponsored the AYA league.

Presentation of jackets to the coaches and players on the Dodgers and Blue Jays championship baseball teams, as well as Eversharp pen and pencil sets to the player on each of the 16 teams in the two leagues, who was voted as the most cooperative climaxed the sports night program.

Carl Johnson, president of the Arlington Auxiliary Police Association, reviewed the AYA activities (Continued on Page Twelve)

### Jason St. House Damaged by Fire

Fire which broke out early Tuesday morning while the house was unoccupied caused heavy damage to the home of Jackson W. Osborne, 125 Jason st.

Mrs. Robert Turner of 130 Jason st. discovered the blaze shortly after 1 a. m. and telephoned fire headquarters. An alarm was sounded immediately, bringing several pieces of apparatus to the scene. Recall was not sounded until more than an hour later.

The fire was believed to have been started in oily rags left on the floor by workmen, police said.

Mr. Osborne, who was on a business trip to Chicago, was notified.

### Two Injured In Triple Crash

One person was injured and another was severely shaken up Tuesday night when two pleasure cars and a trailer truck collided on the Concord turnpike near Lake st.

An auto operated by Joseph A. Phalen Jr., of 33 Lombard road was struck in the rear by a car driven by George E. Capen of South Billerica which, in turn, was struck by the truck, police said. Kenneth C. Thomas of Brandon, Vt., was driving the truck. Capen suffered injuries to his neck and Barbara Phalen, 22, a passenger in the Arlington auto was shaken up.

Both passenger cars were damaged.

### March of Dimes Drive Gets Under Way Here

Collection boxes will be placed in principal Arlington stores before the week-end and house-to-house solicitation will get under way as Arlington's part in the March of Dimes goes into high gear, W. Dale Barker, local chairman announced yesterday.

An appeal will also be made to citizens through the mail and it is expected that special events will be held, all of which are planned in an effort to exceed the \$4038.53 which was raised by Arlingtonians last year in the annual drive for the benefit of infantile paralysis sufferers. Schools alone raised \$587.71 of this amount last year.

Checks may also be mailed directly to any committee member. Others heading the drive with Mr. Barker are William J. Sinclair, vice chairman; Mrs. Robert W. Murphy, chairman of the ladies' committee; Dr. Ralph B. Lancaster, treasurer; Carl A. Johnson, Dr. L. Curtis Foye, Arthur R. Kimball and Raymond S. Morrill.

Last year 22 cases of polio in Arlington received assistance costing \$5,629.85, taken from funds raised in the March of Dimes drive. Such help is not charity; it is from money raised by the people for the people, Mr. Barker emphasized. The average cost per polio case is said to be about \$1200; in one case, has run as high as \$8000 in two years.

### Arlington Police Join Search for Gunman

Arlington police joined Belmont officers late Saturday night in the search for a gunman who held up a Cambridge taxi driver in the neighboring town and went off with the taxi as well as \$20 of the cabbie's money.

Arlington officers came upon the taxi driver at Pleasant st., and the turnpike shortly after 11 p. m., and learned that he had been held

up in Belmont by the armed passenger.

### C. of C. to Hear Income Tax Talk

Thomas A. Kearns, deputy collector-instructor of Income Taxes, will be the guest speaker at the next meeting of the Arlington Chamber of Commerce on Feb. 4 at the Arlington Academy of Music hall.

Mr. Kearns will speak on federal income taxes and will answer any question that may be puzzling merchants now in the process of preparing their income tax report. Mr. Kearns comes from the Internal Revenue office.

A roast beef dinner will be served before the business meeting.

A preliminary meeting of the Arlington Citizen's Committee was held on Wednesday evening.

Among those seeking major office will be Thomas J. O'Neill of 615 Summer st., a candidate for the board of public works to fill the vacancy left by the death of Loren W. Marsh.

# Freezing Drizzle Ties up Traffic

At least one automobile crash occurred here early Wednesday morning and both pedestrian and vehicular traffic proceeded under the most treacherous conditions Tuesday night and Wednesday as freezing rain coated highways and sidewalks with a thin sheet of ice that took everyone by surprise.

Traffic was almost at a standstill Tuesday night with few motorists venturing out unless absolutely necessary. Previous sanding of streets made little difference as the drizzle froze on the sand as soon as it was spread.

Although a few surrounding communities cancelled elementary school sessions Wednesday morning, Arlington was among those where schools were opened. Small children, living on streets which had not been sanded by school time, were forced to inch their way to school. Public Works Department sand trucks were covering street after street, as fast as they could, but it was impossible to take care of all sections before householders left their homes Wednesday morning. Family cars remained in garages, especially in the Heights section.

The sand and rock salt spread by the town trucks followed by rising temperatures and a steady rain throughout the day Wednesday removed the treacherous ice coat, although puddles of water caused disagreeable conditions underfoot throughout the day and Wednesday night. Above-freezing temperatures yesterday helped improve walking and driving conditions considerably.

**Auto Skids Into Truck**

An auto operated by James Meikle of 68 Oxford st., skidded on ice as it came out of Oxford st. onto Broadway shortly after 4 o'clock Wednesday morning and struck a trailer truck, police said.

seek re-election and have already taken out nomination papers.

Joseph Peterson, chairman of the board of selectmen, who is completing his first term on this board, will run for another three-year term.

Selectman Peterson has also served many years as a Town Meeting Member. A graduate of Tufts College, he is a civil engineer and served in the first World War.

Willard A. Wallace was first to announce his candidacy for re-election to the Board of Public Works.

Others seeking re-election include Ernest W. Davis, moderator; David A. Wilcox, assessor; John P. Morine, M. Norcross Stratton and Michael A. Fredo, school committee; Dr. Ernest R. Brooks, board of health; Harold A. Yeames, Sinking Fund commissioner; and Pratt Fund trustee; and Arthur R. Kimball, cemetery commissioner.

Harvey C. Abbott, chairman of the Planning Board, and John O. Parker, also a member of this board, will both seek re-election to the three-year term. Their nomination papers are being circulated.

A Gordon Wier of 8 Maynard st., has taken out nomination papers as a candidate for park commissioner at the annual election due in March.

Wier is well-known in Arlington and is a town meeting member in Precinct 7. A member of the Touch-down Club, he has taken an active interest in recreational activities in Arlington.

Because of the recent death of Loren W. Marsh, a vacancy was created on the Board of Public Works. Henry E. Halpin of 141 Franklin st., has taken out nomination papers as a candidate to the two-year term on this board.

**Halpin Well Known**

Mr. Halpin has been active in town affairs for several years and

at present is completing his third year as a member of the Finance Committee from Precinct Seven. Two of these years have included assignments to the subcommittee on public works. Mr. Halpin is serving his second year as a member of the Committee on Advanced Programming and Budgeting and has been a Town Meeting member since 1941.

The candidate is a graduate of Tufts College with a degree in civil engineering and has had 25-years engineering experience in industrial fire protection and particularly with problems involving water supply. He is a member of the New England Water Works Association, American Water Works Association, and the National Fire Protection Association and has served on several committees of these technical societies.

Mr. Halpin is chief hydraulic engineer of the Inspection Department, Associated Factory Mutual Fire Insurance Companies. He is a veteran of World War I.

**Allison Is Candidate**

John H. Allison of 34 Webcowet road has announced his candidacy for the one-year term on the School Committee.

In announcing his intention to run for the office, Mr. Allison said: "Heretofore my interest in civic affairs has been exercised in committee work including chairmanship of the War Memorial Committee, district work in various precincts on Community Fund drives, financial officer's work in the Boy Scout squadron, and various charity affairs. All of which tends to produce a continuing interest in the human aspects of our community. Nevertheless, we cannot exclude or close our eyes to the business problems existing not only in a daily endeavor, but also in operating our schools."

"Therefore, I am motivated at the behest of many friends to seek election for one year to the School Committee that I may bring there

## Hearing Date Set on Proposed Apartment Zone

The Town Planning Board this week set Tuesday evening, Feb. 11, as the date for a public hearing on the proposed amendment to the Zoning By-law creating an additional district to be known as Residence D district on Pleasant st.

Approval by the town meeting members at the annual town meeting of this proposed change will permit the building of multiple housing on Pleasant st., in an area described in full in a Planning Board legal appearing in today's NEWS.

In the proposed district, no building covering more than 35 percent of the area of the lot will be permitted. Any building built in the area would have to be set back at least 35 feet and would be limited to 50 feet in height, or four stories.

At the special town meeting held in December, it was indicated that the proposed change would receive favorable action at the annual meeting after John F. McCormack, Arlington real estate agent, had outlined his plans for a new apartment house on Pleasant st.

my business experience gained after twenty-five years in the business world (at present being Vice President of NEGEA Service Corporation). Being a veteran of World War I, father of three children (one of whom is a veteran of World War II), a member of the American Legion, a taxpayer and home owner for many years in Arlington, should be conclusive that as a member of the School Committee, I could approach its problems from a broad viewpoint.

**Must File by Jan. 27**

Candidates for principal town offices must file their nomination papers with the board of registrars of voters on or before Jan. 27 for certification. The paper must then be filed with the Town Clerk by Feb. 3.

Despite the anticipated increase in the Town's tax rate due to rising costs of labor and materials, as well as the need for capital outlays which had been deferred during the war, comparatively few candidates have thus far shown any desire to serve as Town Meeting Members.

One of the duties of this body is to pass on all town appropriations at the annual and special town meetings. So far, in several precincts, there are fewer candidates than the number to be elected as town meeting members.

Nomination papers for this office require the signatures of only 10 registered voters in the precinct in which the candidate lives. These papers must be filed with the registrars of voters by Jan. 27.

## Heights Study Club

The Arlington Heights Study Club met Tuesday at the home of Mrs. N. P. Bacon, 207 Appleton st. Mrs. Herbert Snow and Mrs. Clarence Coolidge were hostesses. Mrs. Raymond E. Shepherd spoke on "Textiles."

## Missionary Society

The January meeting of the Woman's Missionary Society was held at the First Baptist Church on Monday, with Mrs. Nathan W. Wood presiding.

Mrs. Amy Bunker led the devotion. A string quartet featuring Phyllis Spence, 1st Division, Greta Higgins, 2nd violin, Priscilla Gushee, viola, and Frances Grey, cello was enjoyed. Pictures were shown to the Baptist work in Burma and India.

The hostesses were members of the Arlington Heights Group.

## NOTICE OF BIDS

**Motor Gasoline**

The Board of Public Works of the Town of Arlington will receive bids on 15,000 gallons, more or less, of Motor Gasoline.

The gasoline to be furnished must be regular branded gasoline, the octane rating of the same MUST be plainly stated, specifying the method under which said rating is established. The price quoted is to be the delivered price.

Bids will be received and opened publicly in the office of the Board of Public Works, Town Hall, Arlington, Mass., Monday, January 27, 1947, at ten o'clock A. M.

All bids are to be sealed and in the hands of the Purchasing Agent or his authorized representative not later than the day and hour above mentioned.

All envelopes containing bids are to be plainly marked "Bid on Motor Gasoline."

The Board of Public Works reserves the right to accept or reject any or all bids.

## A VOTE OF CONFIDENCE IN BOSTON'S FUTURE

**Boston Edison Company's New Generating Unit to be Largest in New England**

Boston Edison Company is casting a vote of confidence in the future of Greater Boston by investing its capital in a giant 81,250-kilowatt turbo-generator which, according to present plans, will be ready for operation in 1949.

This new unit will incorporate every modern development designed to reduce the amount of fuel used per kilowatt-hour of electricity generated. The turbine will be the largest in New England. It will be served by the largest boiler, operated at higher pressures than any heretofore installed in New England. The inclusion of a re-heat cycle in this installation, together with other features, will make this unit even more efficient than Boston Edison's new Mystic Station, now rated as one of the most efficient in the country.

The improved fuel economy in the generation of electricity has been an important factor in enabling electric utilities up to now to maintain a general downward trend in prices charged their customers, in spite of the increased cost of almost all the elements entering into the production, transmission and distribution of electricity.

## Fifth Major Increase in Ten Years

The new 81,250-kilowatt unit, together with a third 50,000-kilowatt turbo-generator which will go into operation in 1947 at Mystic Station, will increase present power-producing facilities by more than 25 per cent. It will be the fifth major increase in generating capacity

in a ten-year period, and a 250,000-kilowatt increase in capacity—65 per cent—within the decade, 1940-1950.

## Confidence in Future

Boston Edison thus renews its confidence in the future of the communities which the Company serves. For a century and a half Boston has been a leader in the industrial, commercial and cultural life of our Republic. It will continue to hold that leadership. And the electric service company on which the community relies will continue its policy of furnishing an adequate supply at the lowest possible cost.

## Industrial Development

Metropolitan Boston and Massachusetts are in splendid condition to play their full part in the industrial development of the post-war era. The natural advantages of invigorating climate, superb harbors, and nearness to great markets will be supplemented by improved transportation, modern airports and, to a greater degree than ever before, the skill and ingenuity of the world's finest craftsmen. Boston Edison's New Business Department is prepared to furnish detailed information on business opportunities which await development in the cradle of American industry.

BRYANT MADE  
MANAGER OF  
GAS LIGHT CO.

Everett C. Bryant has been promoted manager of the Arlington Gas Light Company.

Mr. Bryant has been with the company since 1924 and, prior to his recent promotion, was assistant to former manager, Horace G. Taylor, who retired the first of the year. After graduating from the Worcester Polytechnic Institute in 1919, Mr. Bryant was associated with the Worcester Gas Light Company as chemist, plant foreman and assistant superintendent. He joined the Arlington Company in 1924 as superintendent.

He resides at 26 Bellevue road, with his wife, Ruth V. Bryant. They have one married daughter, Mrs. Frederick C. Kelly, who is now living at Presque Isle, Maine.

Mr. Haylor, the retiring manager, has been engaged in the gas industry since graduating from the Stevens Institute of Technology in 1899. During the next few years, he assisted in the construction of gas plants in many parts of the world, returning to the United States in 1905 and accepting a position with the Lawrence Gas Company. In 1920 he was made engineer of that company and, in 1927, he became manager, which position he held until coming to Arlington.

Zonta Welcomes  
3 New Members

Three new members were elected to membership in the Arlington Zonta Club at its business meeting Tuesday evening at the Trading Post, with Virginia Kearney as hostess.

Mrs. Mary Corbett Burns, was elected to the classification of dancing teacher, Lillian Lowry, bakery and Mary Shaw, restaurant.

Plans were made for a Zonta bridge party next Wednesday at Mary Shaw's Restaurant with Bernice Dodge and Jayne Bliss appointed to the committee on arrangements.

After the business session the club members visited the Trading Post while Mrs. Kearney pointed out samples and types of early American antiques and traced their development into present day modes.

The next meeting will be a social session at the Winchester Country Club on Jan. 30, when Miss Helen F. Carter, librarian of the Wakefield Public Library will review books.

## Junior High C. E.

The Junior High Christian Endeavor Society of the First Baptist Church met Sunday with Nancy Wood and Carolyn Wells as leaders. The topic was "Friends". Scripture verses on "Friendship" were read by members. The qualities of true friendship were also discussed.

Crittendon League  
Enjoys Musicales

In spite of bad weather an enthusiastic audience of members and guests of the Arlington Circle, Florence Crittendon League, enjoyed the annual musicale Wednesday afternoon at the home of Mrs. James A. Bailey, 14 Wellington street. Mrs. Whitman N. Halbro presided.

Miss Lena Winifred Lenk, music chairman, presented three outstanding artists: Olga Stone, pianist; Olga Gardner, soloist, accompanied by Lucille Roylance and Nancy Pierce, violinist, accompanied by Mrs. Shaw Swain. Pourers at the tea which followed were Mrs. William S. Fairchild and Mrs. Arthur D. Saul. Mrs. Andrew A. Magnus, hospitality chairman, was assisted by Miss Vivian Barker, Mrs. Arthur O. Davidson, Mrs. Rexford O. James and Mrs. J. C. Sherwood.

Women's Relief Corps  
Installs New Officers

New officers of the Woman's Relief Corps were installed last Thursday afternoon at the old Town Hall. Dinner for members and guests followed at Koford's.

Those installed by Mrs. Abby Allen, past department president, were: Mrs. Anna Murphy, president; Mrs. Rena Fredericks and Mrs. Olive Tottle, vice presidents; Mrs. Ida Bowman, chaplain and patriotic instructor; Mrs. Minnie Barrow, treasurer; Mrs. Katherine E. Whitton, recording secretary; Mrs. Ida Lutz, conductor; Mrs. Blanche Lewis, Mrs. Jennie Kimball, Mrs. Lucille Lewis and Mrs. Margaret Law, color bearers.

Gifts were presented by the president to the installing officers. Following the next meeting next Thursday, a whist party will be held.

Arlington Pilot  
on Florida Air Tour

H. D. Stevens of 3 Stevens terrace, is one of thousands of participants in the sixth annual Gulf Air Tour to Florida, an event which is bringing into the air the largest number of private pilots in the history of aviation. Maj. A. Williams, noted speed flyer, Pulitzer trophy winner and head of the aviation department of the Gulf Oil Companies, disclosed this week.

Designed to encourage cross-country flying, this unusual air tour is open to any pilot of a plane of 125 horsepower or less. Several thousand private pilots from all over the country are expected to take part in this flight. Pilots will converge at Orlando, branching out from that city to both Florida's east and west coasts. Free oil and gasoline will be provided participants by Gulf dealers at some 70 intermediate refueling points along these airways. Flyers from this area may secure Air Tour applications from the local Gulf airport dealer. Pilots can take off any time after Jan. 2 and can complete the tour by Jan. 26. They can fly individually or in groups of their own choosing and can visit any part of Florida they desire.

ELIOT ROAD  
BREAK FOILED

Police searched in vain shortly after midnight Friday for a young man who tried to break into the house at 15 Eliot road and then ran away towards the greenhouses on Lake st.

The would-be intruder was described as being between 25 and 30 years old, blonde and wore khaki trousers, a brown top coat and no hat. He tried to enter the house through a cellar door.

## With the Kiwanians

"Gliding Wings," a movie tracing the development of the glider from its inception to the miracle of the Ford-built troop carrying Army gliders, known as the "Flying station wagons," was shown at yesterday's luncheon meeting of the Arlington Kiwanis Club.

The annual ladies' night and installation of officers will be held next Wednesday evening at Chestnut Hall. A roast beef dinner will be served.

## SUBSIDIZED TRANSPORTATION

There has been an increasing amount of comment in the newspapers of the country on the cost of building and maintaining airports and their related facilities. The rapid growth of commercial air transportation has made a great many airports and terminals obsolete — and, as a result, communities find themselves faced with the prospect of investing enormous sums in tax dollars in new construction.

Much of the newspaper comment has contrasted the airlines with the railroads. If a railroad, for instance, had the temerity to request a town to build it a station, using the money provided by all the taxpayers, it would be laughed out of existence. But that is precisely what communities do for the airlines in the case of airports, administration buildings and terminals.

The financial problem involved in this is a very real one, and it will grow as time wears on and more and larger planes overcrowd our airports. Every owner of taxable property is directly affected. There must be some equitable means of allocating the costs of airports and terminals between commercial and non-commercial users that will spare the taxpayer part of the heavy burden. The taxpayers should make their feelings known in this matter; if they don't, the spending of public funds for airport expansion will naturally continue.

## ARMY-NAVY UNIFICATION

The proposal for merging the Army and Navy under one department, with a single officer exerting complete command over all the armed forces, will again make its appearance in Congress. And the public, which has a very vital interest in anything concerning our military establishment, should realize that steps already taken have put into effect what is good in the unification plan — without putting into effect that which might prove dangerously bad.

The most important of these steps occurred recently, when the President approved a plan of the Joint Chiefs of Staff, whereby a single commander is given complete operational responsibility in each theatre where there are American forces. Clearly delineated areas of command have been laid down. As an example, General MacArthur has complete command authority over all Army, Navy and other military facilities, personnel and establishments in the Far East. Other generals and admirals exert similar authority in their designated spheres.

This in itself makes impossible the division of responsibility which had so much to do with the Pearl Harbor disaster. One man, not two or three, commands, and his duties are fixed and clear. At the same time, the spirit of competition, of pride in branch of service, which means so much to any fighting force, is maintained.

## The NEWS OBSERVES

Religion must be given a more important place in modern education if there is to be a peaceful and better world in the future. Archbishop Cushing and Rev. George A. Buttrick, minister of the Madison Avenue Presbyterian Church, asserted before the American Association of American Colleges at the 33d annual meeting in the Hotel Statler Monday night. . . . Rev. Mr. Buttrick suggested courses in religion to build a bridge between the day school and the church school. . . . The Archbishop attacked the "extreme development of the idea of separation of the Church and State."

Because the question of teachers' salaries affects every parent and taxpayer in Arlington, we are devoting more than usual space to this matter. . . . That Arlington teachers are dissatisfied is no longer a secret and, as a PTA notice states, "It is time this matter was presented in the open to all parents and taxpayers." . . . We hope that as much light as possible may be shed on this issue before the annual town meeting so that Town Meeting members may vote intelligently on it. . . . It has been suggested that the teachers themselves would welcome a statement of the School Committee's views on the question. . . . We hope that by town meeting time, it will be made clear exactly what salaries should be increased, the amount of these increases and the how much this will increase the tax rates. . . . We cannot expect the best for our children if their teachers are inadequately paid.

Someone's warped idea of a joke caused injury to an Arlington police officer as well as an uncomfortable drenching of the officer as well as a fellow policeman Friday night. . . . Driving along Chestnut st., in a cruiser car, the two officers heard cries for help from the outdoor skating rink at Meadowbrook park. . . . They left the car and started to run towards the rink. . . . The snow-covered rink had been flooded with water and the thin coat of ice which had formed did not hold the officers. . . . Both went through the ice and were thoroughly soaked, making it necessary to return home to change clothing. . . . One of the officers received a cut to his right knee and left cheek. . . . The names of three boys responsible for the needless calls for help were obtained. . . . We haven't been told how the story ended.

Charging that the \$37,528,000,000 government spending program proposed by President Truman is "wasteful and extravagant," Harold E. Stassen, former Minnesota Governor, this week called on his fellow Republicans in Congress to slash the budget by five billion dollars. . . . As a means towards this end, he suggested a 25 percent cut in all items, except for national defense, veterans' care, housing and interest on the national debt. . . . And no one will object if this can be accomplished.

Meanwhile, don't plan on kissing goodbye to those taxes on so-called luxury items, come next July 1. The latest from Washington is that the Republicans now believe these taxes will have to continue for the time being — pending the outcome of the portal-to-portal suits.

Three high school boys walking along the avenue tucked a coin on the ground, picked it up, examined it and then, with an air of disgust, tossed it away. Curious about the whole performance, a man who was following them, recovered the bright coin and found it was a penny which he, naturally, pocketed. The boys had apparently forgotten the lessons taught by Abraham Lincoln whose profile appears on the coin they tossed away.

Everyone who had anything to do with organizing the Arlington Youth Association baseball league could rightfully feel proud Monday night at the sports night held in Junior High East. They must have realized that their time and money put into this program for the benefit of Arlington boys was mighty well spent. We congratulate Bill Sinclair and all his fellow-members in the Arlington Auxiliary Police who made this league possible.

It seems that the police are ever alert to pick up motorists for slight infractions of the automobile laws. A little more attention might be concentrated on those who make a speedway of Massachusetts ave. Arlington Centre is usually well patrolled. However, we have noticed on several occasions trucks, especially, going along the avenue at high rates of speed, in the vicinity of Churchill ave. There is no

A reception to Bishop and Mrs. Henry Knox Sherrill next Monday from 4 to 6 p.m. in the Charter Room of New England Mutual Hall, Boston, will give members and friends of the Massachusetts diocese opportunity to greet them personally before the time of their leaving Boston arrives.

The past Venerable, Mrs. Cammarata, presented all the members with a gift as a token of her appreciation for their cooperation during the past year.

## KING'S DAUGHTERS

The next meeting of the King's Daughters will be held next Wednesday at 1:30 at the home of Mrs. Fred Malsbenden, 30 Pine Ridge road, West Medford. Mrs. Mildred Robbins and Mrs. Martha Merriam will be assisting hostesses. A snipping party will follow the business meeting.

## Your Schools

(Continued from Page One)

of the American public in the prestige and importance of this profession, vital as it is to the intelligent progress of this country in relation to its own position and in relation to the affairs of the world.

Let us consider the major cause of our dilemma. Because of this mass exodus of teachers, the shortage today is one of danger. A few of the vacancies have been filled from new graduates and retired teachers coaxed back to the profession — in normal times, with replacements one in every eight each year, the shortage today seems insurmountable.

The one thing which can be done right now is to see to it, through school committees in towns and cities, that an adequate salary scale is forthcoming commensurate with the professional training the job demands and the importance of the profession.

Why should a more adequate salary scale be necessary? Through the country we find many instances of the school janitor receiving a wage equal to that of the teacher with a university degree or teachers starting their careers, after years of demanded education, in many cases with salaries many hundreds of dollars lower than the street sweeper, the garbage collector, a carpenter, painter or plumber. In some 30 states of our nation, the average teacher's pay for training the minds of our children is less than that of the charwoman who cleans the floor of one of our federal office buildings.

In the year 1944-45 through the United States, the average teacher salary was \$1,800 while the average salary of professional employees of the Federal Government was \$3,560.

According to Hugh Nixon, executive secretary of the Massachusetts Teachers Federation, school teachers all over the state are asking for increased salaries and unless most school committees grant substantial salary increases for 1947, they will run the risk of losing some of their best teachers and of finding it impossible to replace them satisfactorily next fall.

Hundreds of our elementary teachers in Massachusetts are receiving less than \$1,500 yearly. Is this fair recompense for a teacher who trains, instructs, inspires and guides our children through the formative years of their lives? — a teacher who we want to be well prepared and constantly learning? — a person who must be wholesome, healthy, able to travel and to utilize all means which enrich personality?

In general we get what we pay for. Why must we be willing to sacrifice, each of us a little more, for school instruction?

### Parmenter PTA Asks School Board Raise Teachers' Pay

The Parmenter Parent-Teacher Association met Monday evening with Mrs. Miller Laufman presiding.

Notice having been given that the subject of teachers' salaries would be discussed, the business session was drastically curtailed, and the musical program planned for the evening was postponed so that sufficient time might be allowed for the proper consideration of the salary issue. After the facts had been presented and all questions answered, motion was made that: "the association authorize a letter to be sent to the School Committee expressing the earnest desire of the membership that salaries of teachers in Arlington be raised immediately so that they will be comparable to those paid in other towns and cities around Boston, and to enable teachers to meet the cost of living." This motion was passed by unanimous consent.

The speaker was Dr. Joseph Volker, professor of clinical dentistry at Tufts College and director of the Tufts clinics. Dr. Volker, who is a member of the Parmenter P. T. A., spoke of his work in Czechoslovakia as a member of the U. N. R. A. Medical Teaching Mission during the summer of 1946. The talk was illustrated with beautiful colored slides. Dr. Volker brought with him Dr. Joseph Lazansky, another of the members of the Teaching Mission.

Refreshments and the social hour following the meeting were in charge of Mrs. Kramer and the fifth grade mothers.

### Load Heavy, But Salaries Low, Say Local Teachers

Although the salaries of Arlington teachers are among the lowest in the state, the teachers' load here is among the highest, the salary committee of the Arlington Teachers Club contends in its second open letter to the citizens of Arlington.

The letter follows: Last week we presented a schedule of maximum salaries for the towns of Metropolitan Boston. These maximums do not represent the complete picture. We, therefore, submit a grouping of the annual salaries actually being paid your classroom teachers at the present time.

	Elementary Women	Jr. High School Women	High School Men
\$1560	3		
1660	2		
1760	4		
1860	4	1	
1960	5	1	
2060	3	2	2
2160	10	1	2
2260	58	1	1
2360		2	2
2460		29	4
2560			1
2660		25	1
2760			4
2860			9
2960			28
3060			

There are also 17 vacancies being filled by substitutes at day rates.

Another fact that is not often considered in connection with salaries is that of pupil-teacher ratio or teacher load.

According to figures released by the Massachusetts Teachers' Federation, October 22, 1946, Series D-10 for the school year 1945-46, Arlington is near the top in teacher load.

Compared to the 39 cities of the Commonwealth, there are only six with a heavier teacher load than Arlington; compared to the 24 towns of over 14,000 population, there are only two with a heavier teacher load than Arlington.

In short, although the Arlington teachers' load is among the highest, the Arlington teachers' salaries

are among the lowest. Arlington Teachers' Club Salary Committee.

### Baptist Men's Class Organizes 3 Teams For New Contests

The meeting of the Men's Class of the First Baptist Church on Sunday was conducted by the president, William H. Rule, Jr. The class teacher, Rev. Nathan W. Wood, spoke on, "The Decay of the Family." Mr. Wood's subject next Sunday will be, "The Church and Its Members."

The class members were greeted by a most attractive poster made by one of its new members, Richard Churchill, featuring the "Dad and Daughter Banquet," to be held on Friday, Jan. 24.

The class president announced the formation of a new Red, White and Blue Committee for the purpose of carrying on the policy of three competitive groups within the class which will vie with each other with respect to attendance and other class activities. The general chairman of the Red, White and Blue Committee will be Carl Everberg, and the leaders of the three groups will be: Reds, Charles Clark; Whites, George E. Miller; and Blues, Herbert O. Alderson. Other members of the committee are Walter Alsen, Albert Brown and Wallace Gorton. The new committee held its first meeting at the home of Herbert Alderson, 7 Stevens ter., on Sunday evening.

The monthly meeting of the executive board of the First Baptist Church Men's Class was held Wednesday evening at the home of Wallace Gorton, 71 Quincy st.

#### Friday Social Club

The Friday Social Club met at the home of Mrs. M. F. Breed, 15 Quincy st., on Friday. George W. Scott, who spoke on "Working with Flowers". Refreshments were served by assistant hostesses, Mrs. G. W. Crockett, Mrs. W. Little and Mrs. S. H. Peppard.

—The Arlington Junior Woman's Club will hold its annual bridge party Monday evening at the home of Mrs. William A. Muller, 231 Massachusetts ave. Betty Atherton, winner of the oratorical contest sponsored by the State Federation of Woman's Clubs, will tell of her adventures in Chicago.

Now is the time to investigate and make

### HOME CONSTRUCTION LOAN PLANS

As you make your plans for home building, you will be vitally interested in an economical INDIVIDUALIZED plan for construction financing.

Our 86-year experience in helping home buyers and builders can serve you well, with suggestions and guidance from men who are familiar with the opportunities and problems involved in home construction and ownership.

If you would like some constructive ideas about different types of homes, come in and look through the master book which we have, illustrating and describing over 140 attractive houses of every conceivable size, type, and value.

# SANITONE CLEANERS

Ever since we've been in business, our purpose has been to give you the best cleaning we know how to do.

Whenever we could we've made improvements in our technique and service. Now we've taken a major step which we think you'll like very much.

We've adopted the nationally known SANITONE METHOD which cleans clothes cleaner than ever before.

After testing Sanitone and studying it, we've adopted it because we're convinced that it produces the finest cleaning that can be done.

It wasn't all one-sided, either. We were pretty thoroughly investigated and inspected ourselves, to satisfy the Sanitone

people that our workmanship and equipment meet their standards.

Sanitone is licensed only to carefully selected cleaners. Frankly, we're proud to be one of them.

Now we'd like you to try our Sanitone Cleaning Service. It's so much better that you'll be able to see and feel the difference.

## DEATHS

### MRS. HELEN T. MCGONIGLE

The funeral of Mrs. Helen T. (McCue) McGonigle, 60, was held from her home, 289 Mystic st., Monday morning followed by a solemn high mass of requiem at St. Agnes' Church. Burial was in Mt. Pleasant Cemetery.

Mrs. McGonigle was born in South Boston and lived in Belmont before coming to Arlington five years ago. Besides her husband, William J. McGonigle, she leaves a son, William of Dorchester; two daughters, Miss Marjorie McGonigle and Miss Helen McGonigle of Arlington and two sisters, Mrs. Thomas Jackson of Dorchester and Mrs. Walter Ferguson of Quincy. She died last Thursday.

### THOMAS E. RAIDER

The funeral of Thomas E. Raider, 34, painting contractor of 111 Wildwood ave., was held Tuesday morning with a high mass of requiem at St. Agnes' Church.

Mr. Raider died suddenly of a heart attack in Newton on Saturday. The funeral was from the Daniel F. O'Brien Funeral Home. Burial was in Westview Cemetery, Lexington.

Mr. Raider was born in Camden, N. J., and had lived in Arlington 12 years. He leaves his wife, Helen E. Raider; two brothers and three sisters.

### EDWARD F. MORGAN

The funeral of Edward F. Morgan was held from his home, 73 Winter st., Wednesday morning. A solemn high mass of requiem was celebrated at St. Agnes' Church. Mr. Morgan died on Sunday. He was the husband of Margaret E. (O'Connell) Morgan and the father of Edward F. Morgan, Jr., of Hudson and Dr. Harold J. Morgan of Dorchester.

### MRS. EMELIA S. ZOLLIN

Funeral services for Mrs. Emelia S. Zollin of 68 Cleveland st., were held Tuesday afternoon at the Wilson Chapel.

Mr. Zollin died on Saturday. She was the wife of Paul A. Zollin. She also leaves three sons, Arthur E. of New Haven, Conn., Albert C. of East Weymouth and Frank C. of West Somerville; and two daughters, Mrs. Ruth O. Norrington of West Somerville and Miss Esther A. Zollin of Arlington.

## Taxpayers Official Will Address Local Republican Women

A meeting of the Arlington Women's Republican Club will be held next Wednesday at 2 p. m. in American Legion Hall.

Benjamin M. Ellison, special field representative of the Massachusetts Federation of Taxpayers' Associations, will be the guest speaker. Mr. Ellison is well informed on governmental and tax matters and a talk is expected to be particularly timely.

Mrs. George W. Tait, in costume, will present a special musical program.

Highlights in current legislation will be given by Mrs. Hollis M. Gott.

A social tea, with Mrs. Elwyn S. MacEwan as hostess, will be enjoyed.

Hallisey-Duncan

Miss Edna Mae Duncan, daughter of Mr. and Mrs. David Duncan of New York City, became the bride of John J. Hallisey, son of Mr. and Mrs. John Hallisey of 82 Sunset road in a ceremony at St. James' Church on Sunday afternoon, Jan. 5. Rev. George Everard performed the double ring ceremony.

Miss Rose Marie Johnson was maid of honor and William D. Harrigan was best man.

The bride was gown in white satin with fingertip veil, with hand-made lace, the work of the bridegroom's mother. The maid of honor wore a gown of blue net and satin. The bride carried white roses while her maid of honor carried red roses. The bride was given in marriage by her father.

Mrs. Arthur Dillon was organist and Stephen J. Keefe of Watertown was soloist.

A reception followed at the Hotel Continental, Cambridge, after which the couple left on a wedding trip to the White Mountains.

Both the bride and bridegroom served in the Coast Guard during World War II. Mr. and Mrs. Hallisey will live in Arlington Heights.

—Rev. John Nicol Mark addressed the Victoria Club at a meeting in the Harvard Club last evening.

Methodist Church, West Somerville, officiated.

Mrs. Moller died last Thursday at the home of her daughter, Mrs. Mabel S. Grant, and son-in-law, Deputy Sheriff Edwin J. Grant. She leaves four daughters, one son, nine grandchildren and two great grandchildren.

### MRS. MARY A. QUINN

The funeral of Mrs. Mary A. (Bowley) Quinn, 76, of 1192 Massachusetts ave., was held from the home of her daughter, Mrs. Frank B. Wingard, 15 Chandler st., this morning.

A solemn high mass of requiem was celebrated at St. James' Church. Burial was in St. Paul's Cemetery.

Mrs. Quinn was the widow of Patrick Quinn. She died Tuesday. Born in Ireland, she had lived here 60 years.

### REV. CHARLES M. ADDISON

Rev. Dr. Charles Morris Addison, 90, died in Cambridge on Sunday. He was Rector of St. John's Episcopal Church in this town from 1882 to 1885. He was the grandfather of Mrs. Robert Hatch, wife of a former rector of St. John's. The funeral was held at St. John's Chapel, Brattle st., Cambridge, on Wednesday.

Scout Vocational Guidance

The senior scouts of Arlington met in the Robbins Library Hall for a vocational guidance program. The speakers were Harold O'Brien on "Civil Service Work," Bert A. Roens on "A College Education in Relation To A Future Vocation," Richard Morrison on "Printing As Developed From A Hobby," Frank Lansing on "Union Printing, Robert White on "Photography, A Hobby And A Business," and Deane Moores on "Social Work." The program was concluded by Chester Duval of the Sackem Council office.

The Senior Scouts appreciate A. Henry Ottoson's work in the preparation of the program. This was the second in a series of programs planned by the Arlington District Committee on Senior Scouting.

Troop Eight

Monday's meeting of Troop 8 was devoted to First Aid. The Scoutmaster, assistant scoutmaster and junior assistants worked with the Cobra, or Tenderfoot patrol, while the two older patrols worked under the supervision of Dr. Ralph B. Lancaster, assisted by Sarkis Zartarian, senior patrol leader, who, it was announced, had qualified

## Arlington Sextet Rules, 4-1

Arlington High's hockey sextet trounced Medford High, 4-1, before 5000 fans at the Boston Arena Saturday afternoon to climb to a three-way tie for first place in the Greater Boston Interscholastic Hockey League.

The Arlington performance was one of the highlights of the afternoon which saw upsets and spectacular playing that provided one of the best cards of the GBI season to date. The setback for the Mustangs dropped the latter to the last place in the league standing.

Medford scored first in the opening stanza when Ed Raue took a pass from Lear and sent the disk into the nets. However, their lead was short-lived as Donovan soloed for an Arlington tally and Bill Leary, assisted by Bob Coveney, blanked the light.

As the Medford defense weakened, the Bill Coveney-Fife combination accounted for two more points in the second frame.

Neither team was able to dent the net in the final period.

Tomorrow afternoon, Coach Downes' aggregation will take on Newton in another league game at the Boston Garden. Game starts at 12:30.

The summary:  
ARLINGTON—Wells, g; Beardsley, rd; Fife, ld; W. Coveney, c; Leary, rw; Walsh, lw.  
MEDFORD—Brady, g; Hartery, rd; Duffy, ld; Lear, c; Marshall, rd; Raue, lw.

Arlington Spares—R. Coveney, Donovan, Klnry, Shea, Kelley, Muello, Campbell, Emery, Flanders, Cadario.  
Medford Spares—Gaffey, Abele, McNair, Hasson, Cronin, Whatley, Power, Ford.

First Period — Raueo (Lear), 4:30; Donovan (unassisted), 7:08; Leary (R. Coveney), 8:03.  
Second Period — Fife (W. Coveney), 9:14; W. Coveney (Fife), 9:49.  
Third Period — No scoring.

ami on Christmas night, addressed the members.

He gave a detailed and highly interesting account of the team's victory. He spoke of the intense interest generated by the game held under sponsorship of Shriners, both in Massachusetts and in the South. He praised his boys, attributing the victory to their courage under most adverse weather conditions because of the heat.

He recalled to the Club members the fact that Henry Tozylowski, Arlington High's coach, was a pupil of his at Lynn Classical where Henry first showed the prowess for which he later became famous.

The next meeting of the Club is scheduled for Thursday evening, Feb. 13 at the Commander.
